MO SPRING/ DREAM STREAM

Distance: 40km

Dream Stream is a stunning stream meandering through pristine mountainous forests, providing a refreshing oasis in the Nam Dong region of Hue. Situated approximately 60km from the city of Hue and just about 40km from Da Nang, Hue Dream Stream is an ideal destination for a short day trip from these two major cities.

Also known as Nam Dong Dream Waterfall, Hue Dream Stream is an enticing attraction in every summer season. Despite the intense Central Vietnam sun, the stream maintains a wonderfully cool atmosphere, offering visitors a delightful and beautiful experience.

Dream Stream is an ideal destination for you to check in and capture beautiful moments for yourself or record memories with loved ones. Especially, it is also an attractive spot for enthusiasts

HOA PHU THANH

Waterfall

Distance: 30km

For a long time, Hoa Phu Thanh has become a beloved destination for many travelers, especially the youth. When visiting this place, you can fully indulge in a variety of exciting activities such as waterfall sliding, kayaking, stream bathing, fish massage, and more.

As a tourist area featuring adventurous water activities, visiting Hoa Phu Thanh during the summer to escape the heat is truly fantastic. In fact, the most ideal time to have fun here is also during the summer, specifically from June to September. During this period, the weather in Central Vietnam is sunny with clear skies and minimal rainfall, making it very conducive to enjoyable outdoor activities.

The most thrilling activity at Hoa Phu Thanh tourist area is undoubtedly the Rubber Dinghy Waterfall Sliding. Hoa Phu Thanh is also the first tourist destination in Vietnam to introduce this exciting game. Each rubber dinghy can accommodate two adults along with various safety gear.

HAI VAN PASS

Distance: 30km

The Hai Van Pass is one of the most beautiful coastal mountain passes in the world, a masterpiece bestowed upon Vietnam by nature. The image of perilous yet stunning mountainous roads, with majestic peaks and lingering clouds at the mountaintop, captivates travelers. The beauty of this pass has become a melody in the unforgettable symphony of nature.

The journey to conquer Hai Van Pass is far from easy, with winding, serpentine roads that follow the mountainous terrain. Hai Van Pass stands out amidst the vast mountain range, resembling a ribbon squeezed across the foot of the clouds, much like a mythical fairyland.

BAY MAU COCONUT

Distance: 30km

Bay Mau coconut forest is located in Cam Thanh commune, Hoi An city, Quang Nam province, about 3km from Hoi An center. Called Bay Mau (Seven acres) because in the past, this coconut forest only had seven acres, now the area of the forest has been more than 200 acres, but the people here are too familiar with the name of this dear Seven Mau.

This large coconut forest is located next to 3 famous rivers in Hoi An which are Hoai river, Thu Bon river and De Vong river flowing into the sea. Because this place has brackish water that is very suitable for the development of nipa coconuts, the coconut forest here is getting bigger and greener day by day, blending with the charming image of the river, giving visitors the feeling of being in a province.

Somewhere in the peaceful, rustic West, Considered as a "Western in the heart of Hoi An". Bay Mau Coconut Forest in Hoi An with a peaceful river view interspersed between the immense green coconut forest gives visitors a peaceful space and special experiences.

NGU HANH SON

Marble mountain
Distance: 7km

Ngu Hanh Son is about 7km northeast of Da Nang city. It is famous nationwide for its serene and beautiful landscapes. It has become one of the "must see" destinations for those who want to discover the wilds of nature and escape from the busy life in urban areas Ngu Hanh Son is a cluster of five marble mountains like five fingers lying close to the sea. In the 19th century, King Minh Mang named the five mountains according to each of the five elements of the planet: Kim Son (gold), Moc Son (wood), Thuy Son (water), Hoa Son (fire), and Tho Son (earth).

On Ngu Hanh Son, the marble has five colours and the colour depends on each mountain. For instance, pink marble is seen on Thuy Son, white marble on Moc Son, red marble on Hoa Son, water-coloured marble on Kim Son and brown marble on Tho Son. To take advantage of the marble's potential, the local people have developed the craft of using the marble to create various fine art pieces to sell to tourists.

Ngu Hanh Son is considered a giant rock-work near the city of Da Nang. Visiting the mountain, tourists will surely be interested the beautiful natural landscape, pure atmosphere and serene pagodas.

MY SON SANCTUARY

Distance: 69km

My Son, located 69km southeast of Danang, was an imperial city during the Cham dynasty, between the 4th and 12th centuries. My Son Sanctuary is a large complex of religious relics that comprises more than 70 architectural works. They include temples and towers that connect to each other with complicated red brick designs. The main component of the Cham architectural design is the tower, built to reflect the dignity of the king.

HUE CITY

Distance: 120km

For the majority of Vietnamese, Hue always remains the intellectual and artistic foyer of Vietnam. It always looks like the sleeping princess. It knows how to keep its charm and grace that it has had since the Champa occupation with its citadel, the Perfume river and above all the famous Thien Mu (The Celeste Lady) pagoda. The cruel beauty of its women wearing the white tunic (ao dai) accompanied by a conical hat (non bai tho), the fineness of its poetry, the union of its parks and pagodas with varnished tiles, the culture of its madarinal court make it more charming, noble, and majestic.

THAN TAI MOUNTAIN

Distance: 30km

Than Tai Mountain in Ba Na Nui Chua Nature Reserve (Phu Tuc Village, Hoa Phu Commune, Hoa Vang District, Da Nang City)

Immense primeval forests and poetic streams make this mountain majestically beautiful and cool. Than Tai muontain of four seasons in the day
